

Notice, Region 5: Environmental Soil Management of New York, LLC,  
dba ESMI A Clean Earth Company

### **Notice of Cancellation of Public Comment Hearing Sessions**

In the May 6, 2026 edition of the Environmental Notice Bulletin, the Department published a combined notice of public comment period, and scheduled two public comment hearing sessions. The first session was scheduled for Monday, June 8, 2026, at the Hudson Falls High School at 80 East Labarge Street in the Village of Hudson Falls, New York.. The second public comment hearing session was scheduled for Tuesday, June 16, 2026, using the Webex Events platform.

**At the request of Environmental Soil Management of New York, LLC dba ESMI, the June 8 and 16 hearing sessions are canceled, and the public comment hearing and written comment period are adjourned until further notice. DEC has suspended review of the pending Solid Waste Management Research, Development and Demonstration (RD&D) permit application.**

In the event that Environmental Soil Management of New York, LLC, wishes to advance the RD&D application, DEC and the applicant will publish notice of a new public hearing providing the details of the public comment period and the public comment hearing sessions.
