This document responds to specific stakeholder inquiries regarding the extent to which the local communities were notified by mail about Clean Earth's December 4, 2024 Public Information Meeting (PIM). Please note that other methods of notification were used and will be documented in our Public Participation Plan (PPP) certification document.

Clean Earth's PPP PIM notice, including the date and time of the PIM, was mailed to local community members and stakeholders, and arrived in mailboxes on or before November 19, 2024. NYSDEC was consulted and approved the stakeholder mailing list, including the Potential Environmental Justice Area (PEJA) community in Hudson Falls targeted for engagement. In addition, NYSDEC approved the postcard mailer including mailer content and design. The remainder of this document provides:

- Appendix I - NYSDEC approved stakeholder mailing list. This list was also provided as part of the September 24, 2024 PPP.
- Appendix II - The final address list used to deliver the postcard mailer.
- Appendix III - The United States Postal Service (USPS) proof of mailing for 4,128 postcards delivered to the mailing list provided in Appendix II.
- Appendix IV - Maps visually demonstrating the mailing addresses to which the postcard was mailed. The final map in this appendix overlays the Hudson Falls PEJA community (shaded area) upon the postcard mailing addresses. This visualization clearly shows that the targeted PEJA was properly and thoroughly notified prior to the public information meeting.
